

PROSTATE HEALTH®

Preventive Maintenance for Men's Health

An imbalance of testosterone can lead to prostate enlargement and balding. **Natural Prostate Health is a specialized men's health product designed to promote the health of the male prostate and encourage healthy body cholesterol levels.*** This liquid formula provides high-potency nutraceuticals shown in clinical studies to address the challenges of prostate health that can lead to an enlarged prostate as well as supporting healthy cholesterol levels.*

Our formula incorporates powerful research-based phytonutrients from both Western and Chinese traditions. The result is a safe and effective nutritional formula no male should go without.*

ID # 26005
