

THROAT ARMOR™

Most unwelcome germs enter through your nose or mouth and travel to the throat where they can create issues.

Eniva® Throat Armor™ is a doctor formulated, specialized formula designed to help coat the throat and esophagus with powerful bioactive polyphenols to support your body's throat, immune system and overall wellbeing.*

"I've been looking for an immune product like this! Eniva has done it again with a great supplement that really works."

— S. B., verified user

"Such a simple product, but what a winner. Natural and effective. I use it every day right now."

— Jim, verified user

Throat Armor contains pure, plant based polyphenols and immune supporting ingredients that create a shield for your throat. The end result also helps support your esophagus and immune system.*

Throat Armor provides a nature based shield that allows your body do what it was designed for – to be immune healthy!*

Mixing Instructions

14 years or older: Mix 1 scoop with 2 ounces of water. Hot/warm water is best. Stir until dissolved. Mixture will become thickened. Do not overfill water.

Recommended Dosing

Take 1 serving 3 times daily spaced evenly throughout day. After mixing, gargle in mouth (30 – 60 seconds). Allow the liquid to coat your throat and gently swallow. Do not take with food or other liquids. After consuming, wait 15 minutes before eating or drinking.
